About Trinity

Trinity is an independent oil and gas exploration and production company focused solely on Trinidad and Tobago. Trinity operates producing and development assets both onshore and offshore, in the shallow water West and East Coasts of Trinidad. Trinity's portfolio includes current production, significant near-term production growth opportunities from low risk developments and multiple exploration prospects with the potential to deliver meaningful reserves/resources growth. The Company operates all of its nine licences and, across all of the Group's assets, management's estimate of 2P reserves as at the end of 2015 was 20.9 MMbbls (excluding the Guapo-1 license which was disposed of in April 2016). Group 2C contingent resources are estimated to be 19.8 MMbbls. The Group's overall 2P plus 2C volumes are therefore 40.7 MMbbls.

Trinity is listed on the AIM market of the London Stock Exchange under the ticker TRIN.
