About Trinity

Trinity is an independent oil and gas exploration and production company focused solely on Trinidad. Trinity operates producing and development assets both onshore and offshore, in the shallow water West and East Coasts of Trinidad. Trinity's portfolio includes current production, significant near-term production growth opportunities from low risk developments and multiple exploration prospects with the potential to deliver meaningful Reserves/Resources growth. The Company operates all of its nine licences and, across all of the Group's assets, Management's estimate of 2P reserves as at the end of 2017 was 23.2 mmbbls. The Group's 2C Contingent Resources are estimated to be 24.0 mmbbls. The Group's overall 2P plus 2C Reserves and Resources are therefore 47.2 mmbbls.

Trinity is listed on the AIM market of the London Stock Exchange under the ticker TRIN.
