NOTES:

1. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that in order to have the right to attend and vote at the 2023 AGM (and also for the purpose of determining how many votes a person entitled to attend and vote may cast), a person must be entered on the register of members of the Company no later than close of business on the day that is two business days before the time for holding the 2023 AGM or any adjournment of it. Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the 2023 AGM.
2. Only holders of ordinary shares are entitled to attend and vote at the 2023 AGM.

A member is entitled to appoint another person as his proxy to exercise all or any of his rights to attend, to speak and to vote at the 2023 AGM. A member may appoint more than one proxy in relation to the 2023 AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. A proxy need not be a member of the Company. You will not have received a hard copy proxy form for the 2023 AGM in the post. You can instead submit your proxy vote electronically by accessing the shareholder portal at <https://www.signalshares.com>, logging in and selecting the 'Vote Online Now' link. You will require your username and password in order to log in and vote. If you have forgotten your username or password you can request a reminder via the shareholder portal. If you have not previously registered to use the portal you will require your investor code ('IVC') which can be found on your share certificate. Proxy votes should be submitted as early as possible and in any event, no later than 48 business hours before the time for the holding of the 2023 AGM or any adjournment of it. You may request a hard copy proxy form directly from the Registrars, Link Group by emailing shareholderenquiries@linkgroup.co.uk or by post at Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL.

To be valid any proxy form or other instrument appointing a proxy must be received by post or by hand (during normal business hours only) or at the electronic address provided in the form of the proxy by our registrar, Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL, no later than 48 business hours before the time for the holding of the 2023 AGM or any adjournment of it. If you are a CREST member, see note 3 below.

Completion of a form of proxy, or other instrument appointing a proxy or any CREST Proxy Instruction will not preclude a member attending and voting in person at the 2023 AGM if he/she wishes to do so.

Unless otherwise indicated on the Form of Proxy, CREST or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion withhold from voting.

3. Alternatively, if you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. Further details are contained below.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the 2023 AGM and any adjournment(s) thereof by using the procedures, and to the address, described in the CREST Manual (available via www.euroclear.com) subject to the provisions of the Company's Articles of Association. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK and International Limited's ("**Euroclear**") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID: RA10) by the latest time(s) for receipt of proxy appointments specified in the Notice of the 2023 AGM. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

4. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
5. Any member attending the 2023 AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the 2023 AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
6. As at 26 May 2023 (being the last practicable date prior to the publication of this Notice) the Company's issued share capital consists of 39,884,637 ordinary shares of USD 0.01 each, carrying one vote each, with 1,486,000 shares held in treasury. Therefore, the total voting rights in the Company as at that date are 38,398,637.
7. You may not use any electronic address (within the meaning of section 333(4) of the Companies Act 2006) provided in the Notice of 2023 AGM (or in any related documents including the proxy form) to communicate with the Company for any purposes other than those expressly stated.

EXPLANATORY NOTES:

1. **Resolution 1.** At the 2023 AGM, the Directors will present the Annual Accounts, together with the Directors' report, the Strategic Report and the Auditors' report on the accounts, to the shareholders for the financial year ended 31 December 2022.
2. **Resolution 2.** This ordinary resolution concerns the approval of the Directors' Remuneration Report for the financial year ended 31 December 2022.
3. **Resolution 3.** This ordinary resolution concerns the re-appointment of BDO LLP as the Auditors until the conclusion of the next general meeting at which accounts are laid, that is, the next AGM.
4. **Resolution 4.** This ordinary resolution authorises the Directors to fix the Auditor's remuneration.
5. **Resolution 5.** This ordinary resolution is to approve the re-appointment of Jeremy Bridglingsingh as a Director of the Company. The re-appointment is in accordance with the requirements of retirement by rotation as required under Article 106 of the Company's Articles of Association.
6. **Resolution 6.** This ordinary resolution deals with the Directors' annual authority to allot shares in the Company in accordance with section 551 of the Companies Act 2006. If passed, the resolution will authorise the Directors to allot ordinary shares or to grant rights to subscribe for or to convert any security into shares (a) up to an aggregate nominal amount of USD 127,995.46 (such amount to be reduced by the allotments or grants under (b) in excess of such sum); and (b) up to an aggregate nominal amount of USD255,990.91, (such amount to be reduced by the allotments or grants made under (a) above) in connection with or pursuant to an offer or invitation by way of a rights issue. These amounts represent approximately 33.33% and approximately 66.67% respectively of the total issued ordinary share capital of the Company as at 26 May 2023 (being the last practicable date prior to the publication of this Notice). The authority granted by this resolution will expire on 30 June 2024 or, if earlier, on the conclusion of next year's AGM.
7. **Resolution 7.** This special resolution will, if passed, give the Directors power, pursuant to the authority to allot granted by resolution 6, to allot equity securities (as defined by section 560(1) of the Companies Act 2006) for cash pursuant to the authority conferred by resolution 6 on a non pre-emptive basis and sell ordinary shares held by the Company as treasury shares for cash otherwise than to existing shareholders pro rata to their holdings. Apart from offers or invitations in proportion to the respective number of shares held, the power will be limited to the allotment of equity securities for cash up to an aggregate nominal amount of USD38,398.64 (being approximately 10% of the Company's issued ordinary share capital as at 26 May 2023 (being the last practicable date prior to the publication of this Notice)). The power granted by this resolution will expire on 30 June 2024 or, if earlier, on the conclusion of next year's AGM.

The Directors note that a limit of up to 10% of the aggregate nominal amount is not unusual for AIM-listed companies and the Directors consider the authority in resolution 7 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict guidelines of the statutory pre-emption provisions.

8. **Resolution 8.** Authority is sought in special resolution 8 for the Company to be able to make market purchases of its own shares. If passed, the resolution gives authority for the Company to purchase up to a maximum aggregate number of ordinary shares of 3,839,864 (representing approximately 10% of its issued ordinary share capital as at 26 May 2023 (being the last practicable date prior to the publication of this Notice) at a minimum price of USD 0.01 per share. The resolution specifies the minimum and maximum prices which may be paid for any ordinary shares purchased under this authority. The authority will expire on 30 June 2024 or, if earlier, on the conclusion of next year's AGM.

The Directors do not currently have any intention of exercising the authority granted by this resolution. The Directors will only exercise the authority to purchase ordinary shares where they consider that such purchases will be in the best interests of shareholders generally and will result in an increase in earnings per ordinary share.

The Company may either cancel any shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury) or cancel them.

9. **Resolution 9.** Proposes the adoption of a new set of Articles of Association, in substitution for the existing articles of association of the Company. The changes in the proposed new Articles of Association include:

- The removal of the Company's ability to pay dividends by cheque.

Other changes, which are of a minor, technical or clarifying nature, have not been summarised.

A copy of the proposed new Articles of Association and a copy marked to show the changes from the existing Articles of Association will be available for inspection at the 2023 AGM for at least 15 minutes prior to and during the meeting and are on the Company's website at www.trinityexploration.com.

Resolution 9, if passed, would result in the proposed new Articles of Association taking effect from the conclusion of the 2023 AGM.
